

# Switch Adapted Water Gun

## MAKER CHECKLIST

### Maker To Do List

- Read through the Assembly Guide to become familiar with required components, tools, supplies, and safety gear and overall assembly steps.
- Ask the User if they already own a 3.5mm switch – if they don't, let them know that they can request one from the MMC library.
- Talk to the User about customization options (e.g., color, any special requests, etc.)
- Order hardware components.
- Gather tools, supplies, and safety equipment.
- Adapt the Water Gun.
- Print and assemble 3D Printed Water Gun Stand.
- Test device.
- Print "User Guide."

### Items to Give to User

- Adapted Water Gun.
- "User Guide."
